## **“EDUCATING MINDS – BUILDING CHARACTER”**

March 2010

As spring approaches, it is a good time to reflect upon the positive accomplishments to date of R-C-S students and look forward to more great things to come.

Since January, we have been treated to a wonderful performance of *The Wizard of Oz* by the RCS High School Drama Club. The show included a cast and crew of over fifty students and a very committed group of adults including parents, teachers, past performers and friends. The singing, acting and live music were exemplary and the sets were creative, tasteful and reminiscent of a Broadway show. A special thanks to Mr. Wamsley, Mrs. Daniels, Mr. Andrews and Ms. Bevan for their tireless efforts to bring such a high level performance to the RCS community. Also, special congratulations go to junior Andy Lyman, who placed third in the NYSPHSAA Division II wrestling tournament on February 27<sup>th</sup>.

As we move into warmer weather (hopefully!), we have many other events to look forward to including the Prom, AP exams, the spring athletic season, fourth quarter preparations for Regents Exams and graduation. As a school community, we will continue to provide the very best educational experience possible for our students. To that end, the Board of Education has recently approved grade weighting for advanced courses in 2010-2011 and has approved the course additions of Creative Crafts, AP Physics and Mathematical Structures (HVCC) to the high school academic program. These exciting, collaborative initiatives will enhance the great opportunities for our students at R-C-S.

Have a great end of winter and feel free to contact the high school at 756-5200 if you have any questions.

Sincerely,

*Brett Miller*
