

**Ravana-Coeymans-Selkirk Central School District
2017-18 Audited Financial Statements - Corrective Action Plan**

2018-001 Compliance with New York State Real Property Tax Law

The District is continuing to work towards compliance with NYS Real Property Tax Law in a manner that both facilitates the instructional program and maintains economic stability within the community. The District will review its fund balance policy and consider funding needed reserves or creating new reserves that are necessary. Actions taken during 2017/18 resulted in a decrease in the percentage of unassigned fund balance to the ensuing year's budget from 8.5% to 6.1%.

The individual designated to oversee this correction action plan is Joanne Moran, School Business Manager. If you have any questions, please contact us.
